SKILLS

- **Java**
- **Full stack** WEB DEVELOPMENT (**MERN**)
- **DSA**

EDUCATION

- CSE | Orinetal institute of Science & technology
CGPA: 7.8 | (6-4-2025)
- XII (CBSE) | Holy Faith school harda in 2023

ACADEMIC PROJECTS

1. AI-Trip Generator | [Live Link](#)

Built a MERN-based AI trip planner with Google Authentication.
Allows users to generate custom travel itineraries using AI.

2. Wholesaler Price Comparison | [Live Link](#)

Developed a wholesale product comparison tool with multi-selection and cost analysis.
Compares base price + transport cost between different sellers in real time.

3. AI-Powered Image Analyzer | [Live Link](#)

Created an image-based Q&A tool where users upload photos and get AI-generated answers.

Soft Skills

- ✓ Problem Solving
- ✓ Team Collaboration
- ✓ Adaptability
